MEMORANDUM

TO: MHCWD BOARD OF DIRECTORS

FROM: Teddi Deppner, Interim General Manager

RE: Emergency Purchase Ratification

One of the items noted by outgoing Interim General Manager Gerry LaBudde was the need to monitor closely the remaining four legacy Pressure Reducing Valves (PRVs) on the treated water system.

After conferring with Field Supervisor Wyatt Paul and District engineer Dean Marsh regarding a leak at one of these PRVs, and determining that lead time on critical replacement parts is up to two months, the orders for replacement parts for this equipment were made on September 22 and October 6.

ATTACHMENTS: Order confirmations from Ferguson Waterworks totaling $9,384.12
