Subject: Response Letter to MHCWD's Letter dated April 23, 2025 re. Consolidation Study

Dear President Nevins,

Thank you for your letter dated April 23, 2025, regarding the completion of Midway Height County Water District's (MHCWD) consolidation study and presentation to the MHCWD Board on March 4, 2025. Placer County Water Agency (PCWA) staff presented the results and costs of the consolidation study, along with current potential funding opportunities and eligibility. We are glad that this information was educational for the MHCWD Board and your constituents. PCWA staff will continue to monitor grant funding opportunities where the potential consolidation of PCWA and MHCWD would be competitive. If identified, we will bring those opportunities to MHCWD's attention.

In the meantime, PCWA strongly encourages MHCWD to apply for projects that align with PCWA's Financial Assistance Program for the upcoming 2026 Fiscal Year. More information will be available regarding the 2026 Fiscal Year application process in November 2025. If you have any questions regarding PCWA's Financial Assistance Program, please reach out to pcwafap@pcwa.net.

Sincerely,

PLACER COUNTY WATER AGENCY

Robert Dugan
Chair of the Board of Directors
